High School Transition
Our Year 6 students are preparing for their next rite of passage with the movement to one of the local high schools. We are blessed to have two fantastic local high schools to choose from in this area. Melville attained the best ATAR result from any high school on the Mid North Coast last year and Kempsey High has a wonderful reputation, especially with their Red Onion Café program.

Year 6 students attend their high school for the entire day this Wednesday instead of coming to school.

Kindergarten Transition an Amazing success
Our Kinder transition program was a great success last week. Thank you to our fantastic Kindergarten team, led by our award winning Ms Knight, and to all of our community support agencies. Thank you in particular to Karen Hall from Schools as Community Centres who once again donated all of the food for a final day feast. Your help and assistance year in and year out is greatly appreciated by our community! Thank you.

BroSpeak Graduation
Congratulations to our Year 6 boys who graduated from the BroSpeak program last week. Well done gentleman!

Leaders for 2015
Any Year 5 student interested in a leadership position next year is invited to present a speech to the school assembly this Friday at 10:30am. Parents are invited to attend and support their children on this important occasion.

Souths Cares
I’m excited! The students are excited! The whole school is excited! The Rabbitohs are coming to town and to keep the parents happy, they are bringing the dentists. We will be sharing this Thursday’s event with seven other schools. NSW Health chose us to host for the amazing healthy ideas we have, such as our students preparing home-made coleslaw for the day.

Celebrating 50 years of Quality Education in a Caring Environment
Principal's message
Congratulations to 5/6D on your wonderful work with the Activity Challenge! Going up against 800 students, our school came 3rd in the entire competition. This amazing result is due to their hard work, persistence and fantastic attitude.

Our prize included a $750 donation that the students will put towards their end of year dinner and a signed NSW Origin Jersey. An incredible effort boys and girls!

Christmas concert
The production team has hit fever pitch in preparation for our much anticipated Christmas concert to be held next week. All classes have been involved in regular rehearsals for what I am sure will be an absolute spectacular!

Mr Andrew Kuchling    Principal

**The simplest way**

...to make a Christmas centerpiece.

Get creative these holidays with a fruit and veg inspired centerpiece for your Christmas feast!

The picture on the right uses layers of baby tomatoes, rosemary and cheese but you could use:

- Layers of thinly sliced green and red capsicum, with slices of carrots in between
- Baby tomatoes and basil
- Kiwi fruit, watermelon, rockmelon
- Use mixed berries: blueberries, strawberries, raspberries

If you have fruit + veg on your table, you’ll be surprised how quickly it will be eaten.

For more inspiration – like us on Facebook – details below.

**Merry Christmas!**
